

Re: Parking Program in Ft. Myers

Hi Dave & Wendy

I am traveling the next 2 days but I can answer. Ft. Myers is similar in size to Great Falls.

We manage about 2,500 spaces. 1,500 off street in 2 garages and several surface lots and 1,000 on street metered and zip zone spaces.

We collect approximately \$750,000 in annual revenue.

We have 12 employees.

If you want to discuss in detail please let me know.

Thanks!

Brian
