Business Items:

Financials:

Mr. Raymond informed the Parking Advisory Commission (PAC) that there may be a new format to the parking financials in the months to come.

Mr. Lyon explained SP+'s financials to the PAC.

Permanent Mounted LPR's in the North Parking Garages:

The PAC discussed moving to permanent mounted LPR's (License Plate Recognition) in the North Parking Garage. The new software could expand the operating hours of the parking garage, eliminate the parking gates, reallocate staff to help with bookkeeping and other daily paperwork, and support businesses in the downtown area. All PAC members were in favor of Mr. Raymond researching the LPR's for the North Parking Garage.

The PAC discussed extending the hours of operations for parking in the downtown area. The discussion is driven by different types of businesses coming to the downtown area. This was only a discussion no action was taken.

Update on ongoing parking projects:

Mountain Alarm was awarded the security camera contract for the parking garages and LoeNBro was awarded the electrical contract for the conduit.

NEW BUSINESS
