

PLANNING ADVISORY BOARD ZONING COMMISSION

OCTOBER 25, 2011

Requested Action

Recommendation to City Commission on new board members.

Project Planner

Mike Haynes, AICP

NEW BOARD MEMBERS

Summary

We are requesting the Planning Advisory Board make recommendations to the City Commission on new appointments to the board.

Michael Bates and Terry Hilgendorf recently resigned from the board. Michael Bates received a promotion from his employer that took him out of town. Terry Hilgendorf also received a promotion from his employer that he expects will prevent him meeting Planning Board attendance requirements. Also Ron Kinder recently moved to Black Eagle and no longer meets the residency requirement of 17.12.1.040.A.1. OCCGF.

Planning staff thanks all three board members for their exceptional service to the city and now must replace those positions.

We advertised Planning Board openings in the Great Falls Tribune and personally solicited applications through various organizations that have an interest in growth and development within the city.

We have received six applications for the three open positions. While those positions will be filled by the City Commission, we would like the Planning Board to recommend to the City Commission the three new members to be appointed.

The Section of City Code relevant to Planning Board appointments is below:

17.12.1.040 - Composition and appointment of members.

A. Number and appointment. The board shall consist of nine (9) members appointed by the City Commission, who:

1. Are residents of the City of Great Falls; and,
2. Are not City employees or elected officials.

B. Considerations in making appointments. Any interested and eligible citizen may be appointed to the board, but those with knowledge of or experience or interest in the fields of planning, development and zoning shall receive special consideration.

C. Terms. Each member shall be appointed to a three-year term, beginning and ending on the first day of January.

D. Vacancies. When a position becomes vacant before the end of the term, the position shall be filled by the City Commission for the unexpired term.

E. Conditions for removal. A member may be removed from office by a majority vote of the City Commission.

F. Reappointments. Each member may be reappointed when their term has expired to the extent that City policy regarding reappointments allows.

We request the Planning Board give due consideration and then take action to recommend appointment of three new board members, keeping in mind that we are seeking community members that have “knowledge of or experience or interest in the fields of planning, development and zoning” and/or will bring insight, independence and experience to thoughtful consideration of planning applications and making recommendations on projects and programs that will shape the future of the City of Great Falls. The Planning Board should provide justification for their recommendations for appointment.

Attached (in no specific order) are the applications received via the City Manager’s office.
