

## Growth Policy Update Steering Committee December 11, 2025

### Agenda Item:

1. **Status of Public-Facing Draft**
  - Summary of comments received (≈200)
  - Progress update on revisions
  - Updated internal draft timeline (late December)
  - Anticipated public release (early January)
2. **Mini “Planning Week” – Week of January 12**
  - Purpose: get the word out about the draft and encourage public review
  - Planned outreach channels and messaging
  - Overview of materials to be released
3. **Public Participation Expectations & Direction**
  - Moving from last year’s broad “everything goes” engagement to more structured, issue-focused input
  - Clarifying what types of comments are most helpful during the public review period
  - Introduction of **Konveio** as the primary public interaction platform for organized, trackable input
  - Strategy for directing conversations toward specific policy choices and map questions
4. **Future Land Use Types**
  - Clarifications, revisions, and remaining decision points
5. **Future Land Use Map**
  - Review of updates
  - Evaluation of boundaries
  - Outstanding questions and areas needing direction
6. **Special Growth Areas**
  - Purpose, boundaries, and supporting rationale
7. **Implementation Matrix Walk-Through**
  - Structure, priorities, and next steps

**I. Adjournment**

A. Next Meeting: January 8, PCD Conference Room
