

## **Great Falls Growth Policy Steering Committee Meeting Summary**

December 11, 2025

PCD Conference Room, Civic Center

### **Overview**

The meeting began at 3:30pm. Brock Cherry, PCD Director, began the meeting by giving an overview of the status of the draft that the steering committee members had reviewed and sent comments on. Mr. Cherry also reviewed the planned activities for the “mini” planning week slated for mid-January, as well as the type of feedback we would be looking during this phase of the process. The rest of the meeting was spent reviewing the Future Land Use Types and Map, the special focus areas, and implementation matrix to discuss and resolve any outstanding comments and concerns that the Committee had made during their initial review.

### **Public Comment**

There was no public comment made.

Meeting adjourned at 5:00 PM.
