Ms. Wendy Thomas and the Design Review Board
City of Great Falls
PO Box 5021
GF 59403

Dear Ms. Thomas and fellow board members,

I regret to inform you that I must resign from my position on the Great Falls City Design Review Board. My term will be up in March, and I will be in Helena serving in the State Legislature from January 7, through the month of April. It is only logical that the city should open the position to find a replacement for my position on the board now.

It has been a pleasure to serve on the Design Review Board and an honor to work with the current and past members. I will miss this opportunity to watch our city grow while maintaining the aesthetic values that our city codes mandate.

I wish you all Happy Holidays.

Sincerely,

Jean L. Price
