Please describe your interest in serving on this board/commission?

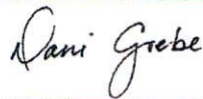

I am very passionate about seeing Great Falls thrive and I believe that a portion of gaining positive momentum is through the built environment and its appearance and fit for our community. I support Great Falls' industrial background and development while I also encourage diversification in order to attract and sustain a strong community.

Please describe your experience and/or background which you believe qualifies you for service on this board/commission?

I have a Masters Degree in Architecture with four years experience in an architectural office designing and coordinating hospitals, office buildings, schools, and other commercial projects. I am directly involved with clients, contractors, mechanical, electrical and structural consultants, landscape designers, and interior designers. I anticipate being a licensed architect by year end.

Please describe your interest in serving on this board/commission?

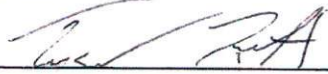

It is important for a design professional to contribute to the design of building as it pertains to the business, site, and the desired character our city is looking for. Having grown up in Great Falls it would be nice to enrich the look of the city. I believe I can provide feedback to improve and inspire good design while serving on this board.

Please describe your experience and/or background which you believe qualifies you for service on this board/commission?

While at school and work our job to the clients is to produce design that is aesthetically pleasing. Having gone through several Design Review Boards I understand the intent of the board, and will bring my skills and knowledge to produce feedback that will please both the applicant and the City.
