ANNEXATION, ZONING & PRELIMINARY PLAT FOR AGRI-TECH RAIL-SERVED INDUSTRIAL PARK

<u>Overview</u>

The proposed project is a rail-served heavy industrial park with an emphasis on value-added processing of agricultural products.

GFDA submitted the project for annexation on May 14, 2012. Per statute, public notice for the public hearing by the Planning Advisory Board/Zoning Commission was published in the *Great Falls Tribune* on June 10, 2012. Subsequently, the applicant contacted the Planning and Community Development office and requested the project be "tabled" due to potential late changes to the application.

The Planning Department is recommending the Planning Advisory Board / Zoning Commission vacate the public hearing and reschedule the hearing to July 10, 2012 at the request of the applicant. Public notice for the July 10, 2012 public hearing was duly published in the *Great Falls Tribune* on June 24, 2012.

Suggested Recommendation

I move that the Planning Advisory Board / Zoning Commission vacate the public hearing related to annexation, zoning & preliminary plat of Agri-Tech Rail-Served Industrial Park scheduled for June 26, 2012, and reschedule the public hearing for July 10, 2012.

Next Steps

- 1. The Planning Advisory Board / Zoning Commission will conduct the public hearing on July 10, 2012.
- 2. The Planning Advisory Board/Zoning Commission recommendation will be presented to the City Commission.
- 3. City Commission will approve or deny the Annexation and Rezoning.
- 4. If approved, the applicant will submit any required documents for review and then file the required documents with the Cascade County Clerk and Recorder's Office.
