

**SECTION 5303 CONTRACT
FOR PASS THROUGH OF FUNDS TO THE
GREAT FALLS TRANSIT DISTRICT**

THIS Contract is made this _____ day of _____, 2016, by the GREAT FALLS PLANNING ADVISORY BOARD, P. O. Box 5021, Great Falls, Montana, (Planning Board) and the GREAT FALLS TRANSIT DISTRICT, P. O. Box 2353, Great Falls, Montana (Sub-grantee). Liaison for the Planning Board is the Senior Transportation Planner. Liaison for the Sub-grantee is the General Manager.

The Planning Board, having received federal grant monies as a grantee from the Federal Transit Administration (FTA) through Section 5303 of the Federal Transit Act and through a Section 5303 Contract with the Montana Department of Transportation (State or MDT), enters into the following Contract with the Sub-grantee. Actual award is contingent upon the availability of FTA funding.

ARTICLE 1. PROJECT

SECTION 1.1 Purpose of Contract. This Contract passes through federal assistance via the State to the Planning Board to the Sub-grantee to evaluate, select and monitor technical study projects and transportation planning projects proposed by local metropolitan planning organizations or public bodies and agencies.

SECTION 1.2 Scope of Project. The Sub-grantee shall undertake and complete the Project as described in the Planning Board's Unified Planning Work Program (UPWP), hereby incorporated by reference, as already filed with and approved by the State.

SECTION 1.3 Period of Performance. This Contract will be effective during the same time period as the Section 5303 Contract between the Planning Board and the State, which is October 1, 2016 to September 30, 2017. Pre-award authority to incur project costs is subject to the conditions and requirements contained herein.

SECTION 1.4 Costs of Project and Payment Terms. The total cost of the Project shall be \$140,230. The cost of the Project shall be shared as follows:

Federal and IDC (80%)	\$112,184
Local Match and IDC (20%)	\$ 28,046

It is understood and agreed between the parties that:

Section 17-1-106, MCA, requires any state agency, including the Montana Department of Transportation, which receives non-general funds, to identify and recover its indirect costs. These costs are in addition to direct project costs. MDT's indirect rate is determined annually as a percentage of the project's direct costs to cover the project's share of MDT's indirect costs as

calculated by 2 CFR Part 200, Appendix, VII. MDT's current indirect cost (IDC) rate is 10.97% for fiscal year 2017 (July 1, 2016 to June 30, 2017.) In accordance with this statute, local agencies receiving FTA funding are not subject to IDC on these funds and will be absorbed by the State. All federal funds are still subject to the current IDC rate. [Note: if this project extends across more than one fiscal year, more than one annual rate will be involved, as the rates may change during the life of the project.]

The Sub-recipient agrees to provide matching funds to assure payment of Project costs. Sub-recipient shall provide these funds when necessary to meet Project costs. The Sub-recipient will not refund or reduce its share of the Project cost unless there is a corresponding proportional grant amount refund to the State via the Planning Board. The State will make grant payments to the City, and the City to the sub-grantee, based upon the State's receipt and approval of reports and invoices submitted by the sub-grantee.

SECTION 1.5 Travel Requests. The Planning Board and the State must give prior written approval for the Sub-grantee to use any Section 5303 funds to attend courses, workshops, conferences, and similar activities. Reimbursement for both in-state and out-of-state travel will be at the rates prescribed in 2-18-501, M.C.A., *et seq.*

SECTION 1.6 Budget Changes. The Sub-grantee shall submit to the State, via the Planning Board, for prior approval, any changes in a work element resulting in a cost increase or decrease over 10%. The Sub-grantee shall indicate the task and amount of the overrun. The Sub-grantee shall notify the Planning Board through quarterly reports of any changes in work elements resulting in a cost increase or decrease of 10% or less. However, the federal share of the overall Section 5303 budget will not be exceeded.

The State, via the Planning Board, must authorize any transfer of funds between or among UPWP tasks within the approved budget. The Sub-grantee shall indicate from which tasks federal funding will be transferred to offset the task over-expended.

SECTION 1.7 Reporting. Sub-recipient shall advise the Planning Board in writing of Project progress at such times and in such manner at the State and FTA may require, but not less than on a quarterly basis.

ARTICLE 2. TERMS AND CONDITIONS

SECTION 2.1 Default. Nonperformance by the Sub-grantee of any obligation imposed by this Contract, including noncompliance with the federal assurances, or reduction of local project cost funding, will constitute default.

SECTION 2.2 Termination. This Contract may be terminated by the Planning Board by serving a notice of termination on the Sub-grantee. Termination may occur for either convenience or default. If termination is for convenience, the notice shall give the Sub-grantee thirty days to wind down its activities under this Contract. If termination occurs due to default, the notice shall state the nature of the Sub-grantee's default, and offer the Sub-grantee an

opportunity to explain its nonperformance. If the Planning Board finds that the Sub-grantee has a reasonable excuse for nonperformance, which is beyond the control of the Sub-grantee, the Planning Board, in consultation with and if concurred by the State, may set up a new work schedule and allow the completion of this Contract.

In any termination, the Planning Board will make its contractual pass-through payments proportionate to the work properly performed in accordance with this Contract to the time of termination, if such payments are provided by the State. Sub-grantee shall account for any Project property in its possession.

SECTION 2.6 Assignment and Subcontracting. The Sub-grantee shall not assign any portion of the work to be performed under this Contract, or execute any contract, amendment or change order thereto, or obligate Sub-grantee in any manner with any third party with respect to Sub-grantee's rights and responsibilities under this Contract, without the prior written concurrence of the Planning Board and the State.

SECTION 2.7 Subcontracts. The Sub-grantee shall include in all subcontracts entered into pursuant to this Contract a copy of this Contract, and the subcontract will make the provisions of this Contract a specific part of the subcontract. In addition, the Sub-grantee shall include all the provisions from this contract in any advertisement or invitation to bid for any procurement under this Contract.

SECTION 2.8 Statement of Financial Assistance. This Contract is subject to a financial assistance contract between the Montana Department of Transportation, the U. S. Department of Transportation, and the Federal Transit Administration.

SECTION 2.11 Notice. All notices arising from the provisions of this Contract shall be in writing and given to the parties at the addresses listed above, either by regular mail or delivery in person.

SECTION 2.12 Agency Assistance. No assistance, other than provided for by this Contract, will be required, but may be provided at the discretion of Planning Board or State.

SECTION 2.13 Severability and Integration. If any part, or parts, of this Contract are determined to be void, the remaining parts will remain valid and operative. This document, together with its schedules, attachments, and exhibits, represent the complete and entire understanding of the parties on its subject matter. No provision, express or implied, arising from any prior oral or written request, bid, inquiry, negotiation, contract, or any other form of communication, shall be a provision of this Contract unless it is reduced to writing, signed by the parties, and attached to this document.

SECTION 2.14 Waivers. A party's failure to enforce any provision of this Contract shall not be construed as a waiver excusing the other party's future performance.

ARTICLE 3. FEDERAL REQUIREMENTS

SECTION 3.1 FTA Master Agreement. The Sub-grantee understands that this Contract includes requirements specifically prescribed by Federal law or regulation and does not encompass all Federal laws, regulations, and directives that may apply to the Sub-grantee or its project. A comprehensive list of those Federal laws, regulations and directives is contained in the current FTA Master Agreement MA(22) at the FTA website http://www.fta.dot.gov/sites/fta.dot.gov/files/Bulletin16-06ENCLMasterAgreementFY2016_03-04-16.pdf. The clauses in this Contract have been streamlined to remove most provisions not covered by statutory or regulatory certification and assurance requirements. The Sub-grantee's signature upon this document acknowledges they have read and understood the Master Agreement.

The Sub-grantee also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

SECTION 3.2 Prohibited Interest. No employee, officer, board member or agent of the Sub-grantee shall participate in the selection, award, or administration of a contract if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- (1) The employee, officer, board member or agent;
- (2) Any member of his or her immediate family;
- (3) His or her partner; or

(4) An organization which employs, or is about to employ any of the above; has a financial or other interest in the firm selected for award. The Sub-grantee's employees, officers, board members or agents shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties of sub-contracts.

SECTION 3.3 Ineligible Bidders. Bidders or Suppliers whose names appear on the US Comptroller General's List located at <https://www.sam.gov/portal/public/SAM/> of Ineligible Contractors are not eligible for award of, or participation in, any contract that may be awarded as a result of this Contract. Submission of a bid by any bidder constitutes certification that the bidder or any subcontractor or suppliers to him, on this proposed Contract, if one is awarded, are not on the Comptroller General's List of Ineligible Contractors. A subsequent determination by FTA that a bidder knowingly made any misstatement of facts in this regard will be cause for immediate disqualification, suspension or termination of the Contract for cause.

SECTION 3.4 False or Fraudulent Statements or Claims. The Sub-grantee acknowledges that, should it make a false, fictitious, or fraudulent claim, statement, submission, or certification to the Planning Board, City of Great Falls, State or Federal Government in connection with this project, FTA reserves the right to pursue the procedures and impose on the Sub-grantee the penalties of 18 USC 1001, 31 USC 3801, as may be deemed by FTA to be appropriate.

SECTION 3.5 Debarment and Suspension. The Sub-grantee shall obtain from its third party contractors certifications required by Department of Transportation regulations, "Government-wide Debarment and Suspension (Non-procurement)," 49 CFR Part 29, and otherwise comply with the requirements of those regulations a list of debarred entities is located at <https://www.sam.gov/portal/public/SAM/>.

SECTION 3.6 No State or Federal Obligations to Third Parties. The State shall not be subject to any obligations or liabilities to any third party, including the Sub-grantee, in connection with the performance of this Project without the specific written consent of the State and FTA. Neither the concurrence in nor the approval of the award of this Contract or any subcontract, or the solicitation thereof, nor any other act performed by the Planning Board or State under this Contract shall constitute such consent.

SECTION 3.7 Age Discrimination and ADA. The Sub-grantee agrees to comply with all applicable requirements of the Age Discrimination Act of 1975, as amended, Title 42 USC Chapter 76 Section 6101 et seq., and implementing regulations, which prohibit employment and other discrimination against individuals on the basis of age. SECTION 3.8 Federal Changes. Sub-grantee shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between the State and FTA, as they may be

amended or promulgated from time to time during the term of this Contract. Sub-grantee's failure to so comply shall constitute a material breach of this Contract.

SECTION 3.9 Settlement of Third Party Contract Disputes or Breaches. The term "third-party contract," as used in this Contract, is defined as a contract between the Sub-grantee and its subcontractor in which the Sub-grantee has procured a good and/or service commercially from the subcontractor. FTA has a vested interest in the settlement of disputes, defaults, or breaches involving any federally assisted third party contracts. FTA retains the right to a proportionate share, based on the percentage of the Federal share committed to the Project, of any proceeds derived from any third party recovery. Therefore, the Sub-grantee shall avail itself of all legal rights available under any third party contract. The Sub-grantee shall notify the Planning Board and State of any current or prospective litigation or major disputed claim pertaining to any third party contract. FTA reserves the right to concur in any compromise or settlement of the Sub-grantee's claim(s) involving any third party contract, before making Federal assistance available to support that settlement. If the third party contract contains a liquidated damages provision, any liquidated damages recovered shall be credited to the Project account involved unless FTA permits otherwise.

SECTION 3.10 Incorporation of FTA Terms. The preceding provisions include, in part, certain Standard Terms and Conditions required by USDOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by USDOT, as set forth in FTA Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein withstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. The Sub-grantee shall not perform any act, fail to perform any act, or refuse to comply with any State requests which would cause the State to be in violation of the FTA terms and conditions.

SECTION 3.11 Compliance with Laws. Some of the clauses contained in this Contract are not governed solely by Federal law, but are significantly affected by State law. The laws and regulations cited in this Contract are not all-inclusive of those which may apply to the successful completion of this Contract. The Sub-grantee understands that it is its responsibility to learn what federal, state and local laws and regulations will apply to its operation under this Contract, and that Sub-grantee is solely responsible for its lawful compliance with all laws and regulations, including those incorporated in this Contract as Article 4.

Sub-grantee understands and agrees that failure to comply with this section constitutes default pursuant to Article 2, Section 2.1.

SECTION 3.13 Privacy Act. The Sub-grantee agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 USC § 552a. Among other things, the Sub-grantee agrees to obtain the express consent of the Federal Government before the Sub-grantee or its employees operate a

system of records on behalf of the Federal Government. The Sub-grantee understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.

SECTION 3.14 Single Audit Act. The Sub-grantee may be subject to the audit requirements of 2 CFR 200 Subpart F if the audit threshold in 2 CFR 200.501 of \$750,000 is reached.
