**SOUTH SIDE WATER MAIN REPLACEMENT**

**GREAT FALLS, Montana** – The City of Great Falls has a contract with United Materials of Great Falls, Inc. for the replacement of water mains on 2<sup>nd</sup> Avenue South and 12<sup>th</sup> Street South. The project will be broken up into Phases to help minimize traffic detours and disruptions to water service.

Starting Wednesday May 31, 2023, 2<sup>nd</sup> Avenue South will be closed to traffic between 12<sup>th</sup> Street and 15<sup>th</sup> Street. United Materials will provide barricades and detour signs in the area for traffic routing. It is anticipated the work will take five weeks to complete depending on weather conditions.

Your patience during construction is appreciated. For more information please contact Rob Skawinski with United Materials at 453-7692 or Matt Proud with the City of Great Falls at 771-1258.
