

**Request For Proposals
Professional Services For
Malmstrom Afb Installation Resilience Study, O.F. 1821.0**

The City of Great Falls, in cooperation with Malmstrom Air Force Base, is seeking proposals from highly experienced professional consulting firms to develop a Resilience and Compatibility Study that summarizes the evaluation of the utility systems and land uses supporting the City of Great Falls (CoGF) and Malmstrom Air Force Base (MAFB). Specifically, the consultant will identify infrastructure requirements, such as alternate water, sanitary sewer, stormwater, electricity, and natural gas connections, transportation and broadband that would increase continuity of essential services for the City of Great Falls and utility resiliency and mission assurance for Malmstrom Air Force Base. Additionally, the consultant will evaluate compatible land uses and zoning in proximity to Malmstrom Air Force Base to facilitate development that benefits both the City of Great Falls and Malmstrom Air Force Base.

Sealed proposals must be received at City Engineering Office located at 1025 25th Ave NE, Great Falls, MT 59404 by **5:00 p.m.** Mountain Standard Time (MST) on **Thursday, May 9, 2024**. Proposals received after the scheduled time and date will not be considered. All supporting materials and documentation must be included with the proposal. The responsibility of timely delivery lies solely with the Consultant. Faxed and E-Mailed proposals are **not** acceptable.

Interested parties may pick up a formal RFP at the City of Great Falls, Public Works Department, Engineering Division or by contacting the Project Manager, James Hewett, at (406) 455-8146
